FOREWORD

- With this issue you have in your hands the latest copy of Lasalliana. This issue introduces a new year, in fact the fifth, in the second stage of our publication.

- You will find in this present folder a full index, by author and subject, of all the 500 leaflets published in numbers 1 to 25.

Readers of Lasalliana will therefore be able to refer to a varied collection of different subjects by an wide range of different writers.

We should like to take this opportunity of thanking all these authors for the way they have cooperated with us.

- We should also like to mention again that the pages of Lasalliana are available to all persons connected in any way with Lasallian work, whether they be Brothers or Lay persons, who might wish to send in articles on any topic which fits in with the objectives of our review, for example, the Institute past or present; the Brother and his vocation; the apostolate of education and the Lasallian world of education; apostolic work experiences, etc.

- Not infrequently we notice in other magazines, certain extracts, quotations and even full articles from Lasalliana. If you avail yourself of this possibility, we would kindly ask you to mention the author and the publication from which the excerpt has been taken.

- Subscriptions to Lasalliana are usually made through one's own District. If someone for special reasons needs to have a personal subscription, s/he should write directly to Lasalliana.

- To all readers of Lasalliana we send our very best wishes for peace and happiness this Christmas time, and for the New Year 1993.

Brother José María Valladolid
Editor of Lasalliana.
