**N° 34
1 / 1995-96**

PRESENTATION

- This issue of LASALLIANA is the third and last for the year 1995.

Up to the present, the three issues which appear each year have been billed according to the calendar year. Beginning with this present issue, the subscription will extend from September of one year through August of the next, in order to agree with the fiscal year established by the Bursar General.

For this reason, the present issue, instead of being the 3rd of 1995, is marked as the 1st of 1995-96.

The subscription for the three issues of the year, therefore, will include the 1st, September-December; the 2nd, January-April; and the 3rd, May-August.

- Added to this present issue (No. 34) is an extra issue (No. 35): a monograph published in conjunction with the Year of Prayer. This is a special, supplementary number of LASALLIANA for the 1995-96 year.

In order to facilitate its handling, the special issue is not in the form of separate sheets, but is bound. However, it has the same dimensions as the previous issues, although with more pages, and it fits in with your overall LASALLIANA collection.

Many Brothers from the different Regions of the Institute have collaborated on this special number for the Year of Prayer. The themes that are developed are "Lasallian Spirituality" and "The Prayer of the Brother." We heartily thank all of the authors for the treasure of reflection and doctrine they have given us.

We hope that this issue will contribute to the enrichment of our spirituality and our life of prayer.

- We have been receiving requests for individual subscriptions, both to LASALLIANA and to INTERCOM.

Please note that the distribution of the Institute's publications is made through the Brothers Visitors. Only in exceptional cases are subscriptions sent to individuals. We recommend that those who wish to receive an individual subscription request it of their Brother Visitor, who can then tell the Secretary General what total number of subscriptions the District needs to receive.

- As on previous occasions, you are reminded that LASALLIANA is a publication for the entire Lasallian Family. Consider sending it not only to the Brothers, but especially to our colleagues in the ministry of education.

For the same reason, its pages are open to all collaborations of interest to the Lasallian world. We invite everyone, Brothers and lay colleagues, to share the richness of their thought and their experience.
